CLAIM FOR RESTITUTION OF LOOTED PROPERTY

(Place)

(Date)

To : Supreme Commander for the Allied Powers

From : (Government of country Making Claim)

1. In accordance with provisions mutually agreed upon by representatives of the United Nations on the Far Eastern Commission and implemented by a directive of 25 July 1946 from the Joint Chiefs of Staff, Washington, D. C., to the Supreme Commander for the Allied Powers, a claim is hereby submitted for restitution of property described below, the title, possession or control of which claimant was deprived of due to acts of the Imperial Japanese Government, the Japanese armed forces, or agencies or individuals thereof or of nationals of Japanese.

a. Detailed Description of property (state information necessary to insure positive identification, including serial numbers, industrial name plate date, photographs, and similar pertinent information):

b. Proof of ownership (STATE all facts and circumstances and attach certified copies of all documents which show how claimant acquired title, listing attachments in this space and indicating full name of owner or title-holder including address, and nationality if other than that of the claimant government.)

CLAIM FOR RESTITUTION OF LOOTED PROPERTY

C. Brief statement of conditions, circumstances and terms (including consideration therefor, or any) whereby there was a loss of title, possession or control accompanied by removal of the property, including locations, dates and other pertinent data:

2. It is requested that restitution be this property to the official representative of (Government concerned) at _____ Japan, or (in the case of vessels only) at _____, a Western Pacific point outside Japan. Claimant agrees to accept the property claimed herein "as is" at the time of its delivery to the claimant.

3. It is understood that if restitution is made the _____ (Claimant government) will make appropriate equitable adjustment and abide by any Inter-Allied decision with respect to any conflicting claims to such property that may be made by other nations or their nationals.

4. Submission of this claim will not prejudice any other rights or claims which the _____ (Claimant government) may have against

the Imperial Japanese government with respect to the property which is the subject of this claim for restitution.
